

# SJF Ski Weekend

When: Friday, January 15–Sunday, January 17th

Where: A Chalet at Schuss Mt./Shanty Creek

The Details: We are getting this out early for those of you who would like to include this as your child's Christmas gift! We truly thank Mr. Tim Brisbois and Mrs. Cheri McEneaney for again stepping up to "chair" this event. Mr. Brisbois found this home for us! It has three levels to accommodate our kids. Please bring your sleeping bags, your cell phone, bath towels, a camping mat if you have one (the bottom level is on a slab... could be cold) and all your cold winter gear and your bathing suit!

Amenities: There is lots to do at this resort. Besides the obvious skiing and snowboarding there is x-country skiing, tubing, indoor and outdoor heated pools and our home has a pool table. You don't have to be an expert skier to join in!

Extras Please bring a snack and 2 liters of drinks to share. Board games and cards would be great! **Subiaco House Rules apply.** If you are interested in renting equipment the choices are too plentiful to list...please check at [www.shantycreek.com](http://www.shantycreek.com) click on rentals or lift tickets for all the details. Rentals may depend on the weather...but **send your child with enough \$ to cover rentals and cost of food for the drive up and back.**

To reserve your spot: Send a check made out to SJF for \$100 and your signed permission slip. **This will reserve your spot and cover the accommodations, gas for our drivers, and meals at the home.** Please send checks to the Kudlas at 1749 Old Homestead Dr. Roch. Hills 48306. First come first in...**there are 20 spots available**

Additional male/female chaperones and drivers are needed. Thanks for your support!
