

A Faith To Believe In

Song for the St John Fisher Year of Renewal

We're longing for You to deepen our faith

Draw us in closer through love and through grace

Renew us, transform us, connect us as one

So we may continue the work of Your Son

We're seeking deeper meaning, and a faith to believe in

1. Like little children, we come to You
Help us to open our hearts
To notice Your presence in all that we do
Make us aware of Your call

2. Like Bartimeus, we want to see
Help us to open our eyes
Finding Your call to community
In every part of our lives

3. Lord, when uncertainty hits from all sides
Help us keep trusting in You
Keep us alert to the signs of the times
For only Your call will endure

4. Like Simon Peter, abandoning all
Help us cling only to You
Here we are, ready to answer Your call
Leaving our nets on the shore

5. Like the disciples, in awe and in fear,
As Your glory transfigures all
It is indeed good for us to be here
May we respond to Your call

6. Just like the Pharisees, we're quick to judge
Help us to put down our stones
And walk a new road of forgiveness and love
Knowing we're never alone

We're longing for You to deepen our faith

Draw us in closer through love and through grace

Renew us, transform us, connect us as one

So we may continue the work of Your Son

We're seeking deeper meaning, and a faith to believe in

We're finding deeper meaning ...

And a faith to believe in
