Thank you for your interest in joining St. John Fisher Chapel University Parish. Our church was dedicated by Archbishop John F. Dearden on September 11, 1966 and we ministered to the students, staff, and administration of Oakland University. On July 1, 1989 we were given canonical status as a full territorial and personal parish.

Our Registration Form provides the information necessary for us to enter you into our parish database. Please complete the form and return it to the front office. Upon receipt, our Pastor will contact you directly to officially welcome you to the parish.

I certainly hope your membership at St. John Fisher Chapel University Parish will be spiritually rewarding. We have a vibrant, faith-filled community that will welcome you and allow you many ways to get involved.

Please call me at 248-373-6457 ext. 3109 if you have any questions.

God's Blessings to You!
