SJF Prayer Group

Need Prayers?

If you or someone you know is in need of prayer, phone the chapel office at 248-373-6457.

St. John Fisher has a dedicated group of powerful pray-ers we call Praying Companions. We are committed to praying daily for the needs, cares, and concerns of the SJF faith family and leadership, and also pray for specific requests and intentions of chapel members.

Requests can be made for a specific intention, or you can simply give the name of the person or family you would like us to hold in prayer. Very sensitive needs for prayer can simply be requested as a special intention.

*All requests for prayer are kept entirely confidential.

Our Praying Companions agree to pray daily for your request for one week, unless another time frame is requested. You can contact us if you would like us to extend our prayer commitment, or if your request changes in any way. There is no request too big or too small for our Praying Companions. We are here to serve you with our gift of prayer.

Interested in joining the SJF Prayer Group?

Being a Praying Companion is a great way to serve your community, even if you have a busy schedule. You can pray anywhere, on your own time. Attendance at meetings is not required. You will be notified by email when someone is in need of prayers, or by phone or in writing if you do not have access to email.

Being a Praying Companion is a great ministry to get involved in if you want to deepen your prayer life. Praying Companions report being blessed by offering their gift of prayerful service.
